

Spring 1 Week 3

Head of School Message

This week I shared a book with the children called 'Do Something for Someone Else'. It's a book about real people who have shown compassion. It introduces twelve real people whose small acts of kindness are changing the lives of others and all of these twelve people are children. We talked about the fact that there are some big problems in our world but they can be and are being solved by everyday people doing what they can to help.

In our School Council meeting we have started thinking about helping others and how we can raise awareness of the problems that people face around the world. I know the children have some plans regarding this and I will keep you informed and updated on their progress.

As always I am always really pleased to hear about children who receive a 'special mention' in Celebration Assembly - it's lovely to find out about, and share news, of how the children in our school go above and beyond to help, share and bring positivity to each day!

Please don't hesitate to pop in to see me or make an appointment via the school office should you need to.

In assembly this week...

...we celebrated 30 years of Mrs Cray! St Minver School is so incredibly lucky to have benefited from her excellent teaching, her dedication and her compassion for such a length of time! I know Mrs Cray taught many of our current parent body and to now be teaching your children is a truly special thing. Mrs Cray shared some photos with us as we reminisced about the last 30 years and we were joined by her family and previous staff so that we could come together to ensure that Mrs Cray knows just how important she is to us all! Thank you Mrs Cray - we are very proud of you and we are very thankful for you!
