

St Minver School & Nursery

Summer 1 Week 1

Head of School Message

I hope that you all had a wonderful Easter break and were able to enjoy some time together with your family and friends. We were certainly lucky with the glorious weather during the first week! It has been so lovely to welcome the children back to school - they are excited to get back to their learning, eager to spend time with each other and to have some more fun along the way! The summer term is a busy one and these next few weeks leading up to half-term are going to fly by pretty quickly! We will keep you updated with events and dates on here and via email and social media so keep a look out for what is going on! Thank you for your ongoing support with ensuring that we can provide a wealth of opportunities for the children - it makes all the difference. Please do pop in to see me should you have any queries, concerns or good news to share!

In assembly this week ...

The values that we are going to be focusing on this term are **Community** and **Connection**. In assembly on Tuesday we talked about the word 'community'; what it means and it's Latin origin. We listened to a team of singers performing a song where they had to work together and each person needed to 'do their bit' to make it work. And we reflected on what it means to be part of our school community - how lucky we are to have each other but how we all need to play our part to have the greatest positive impact.

More News...

Reception Class 2025

We are delighted to have received confirmation of 26 children who are due to start in our Reception Class in September 2025! We already know many of the class but are looking forward to getting to know them all very soon!

Class Structure 2025

We are working on our class lists for September 2025 and will have this information for you as soon as possible. St Minver School is re-growing and we have been pleased to welcome some new starters into many of our classes. This means that we have to revise our class lists which is slowing things down a little! Please be assured that we will be able to share our plans with you very soon.

Half-termly class information letters

Class letters with information regarding your child's learning for this half-term will be emailed out today and are available on the class pages of our website.

Clubs

Clubs for this half-term will be bookable on Arbor from 6pm this evening.

Special Mentions

Sometimes things just don't go our way... and sometimes that is compounded by feelings of unfairness. Special mentions for our footballing stars this week who represented our school in exactly the right way on Wednesday afternoon. Well done girls on being the very best people and a shining example to us all!

Sickness and Absences

Please report your child's absence before 9am. You can call and leave a message on option 1 or you can email us at school. If your child will be off again the following day, we will require you to notify the school of their progress.
