

St Minver School

Head of School: Mrs J Rodwell

Monday 16th January 2023

Phonics The sounds we are learning to recognise this week are: oo, oo, ar and or. The tricky words we are revising this week are: and, push, was, you and they. Even though it may seem repetitive please listen to your child read their phonics book each night. The repetition will consolidate their learning and ensure that they begin to read with fluency (rather than needing to sound and blend)

Maths We are still working in the topic 'Alive in 5' and this week we are exploring measures: balance scales, full and empty and measuring capacity.

Big Adventures with Little Feet We are linking our topic work to the Bible story of The Creation. Our world is full of amazing plants, trees and animals waiting to be explored! The children are keen to find out about where some of these amazing species come from!

The Marvellous Moon Map We are also enjoying our class text for this half term. This week we are developing our vocabulary by describing the story setting.

Please do pop in to see me if you have any questions or concerns.

Kind regards,

Mrs A Warren
