Cowrie Class – Nursery

Summer Term Update

We are delighted that our pre-school is continuing to flourish and your children are so settled with us. The summer term 2 curriculum booklet will give you some guidance on the shape of our learning for this half term. A paper copy has been sent home and it is also available on the school website (Cowrie Class page).

Shared reading books The children are currently choosing from our huge selection of Fairy and Traditional Tale books to bring home to share with you. Please remember to sign the little blue reading diary so we know when to provide your child with a new book.

Sunhats, Sun screen and Water bottles Please make sure the children have these in school for each session. On hot days please apply sun screen before the children come to school and then we can help them apply extra through the day. Please ensure sunscreen is labelled with you child's name as these products must not be shared.

Sports Day is on **Wednesday 19th June** and it would be great if all our nursery children were able to take part. We invite all families to picnic with their children at 12noon and then our pre-schoolers would remain with their parents for the rest of the day. There will be a 'Toddle Race' for our preschoolers to take part in and once our running order is set I will be able to give you the timings for this.

If your child attends nursery on Wednesday afternoons and you are **NOT** able to collect them at 12noon for the picnic and afternoon session, please could you let us know as soon as possible. Of course there will be provision put in place for your child if it is required.

Reports In line with the rest of the school parents will receive a written report during the summer term regarding their child's progress. These will be sent home mid July.

Sponsored Ride We would like to invite our preschoolers to take part in a sponsored cycle or scoot to raise money for some new equipment. We are in desperate need of some new balance bikes and the children would love to help us with this. Further details to follow shortly!

If you have any queries or concerns, please don't hesitate to pop in to see me.

Kind regards,

Mrs A Warren
