Polzeath Class

We hope you all enjoyed a restful week after the very exciting colour run. We are delighted to welcome you to the final term of Year 4, which promises to be packed full of fun learning opportunities.

This term the children will immerse themselves in Ancient Egypt both in history and English. We will be writing narratives, explanations and a persuasive letter. Our class reading will focus on the story of Tutankhamun. In science we will be investigating how sound is made and how we hear sounds when something is vibrating. The children will continue to have specialist drumming lessons, culminating in a performance that we hope to share with you before the end of term. Date to be confirmed. Through our PSHE lessons, the children will be thinking about changes that they experience physically and how their body will change as they get older. They will also think about things they are looking forward to as they progress into Year 5 and reflect on ways that they can make changes for themselves in Year 5.

Thank you for your continued support in your child's learning journey. Please do encourage your child to read every day even for just 10–15 minutes. It does make a huge difference, as it helps to build vocabulary, improve concentration, and nurture imagination. Also, encourage your child to complete homework and hand it in by Thursday.

PE days are on Monday and Wednesday so please ensure that your child has their kit in school on both days. PE kits can also be worn on a Friday to take part in the Active Mile. Homework and spellings will be given out on Friday to be returned the following Thursday.

This is a very busy term – dates for your diary
