

St Minver School & Nursery

Summer 1 Week 2

Head of School Message

It has been so lovely to see the children benefit from being out in our school grounds and in our local area this week! Key Stage 2 had a wonderful time at Polzeath on Monday completing the most incredible beach art with the local artist Bill Bartlett. Michelle from Arena delivered three fantastic Wild Tribe sessions with Daymer, Greenaway and Polzeath classes on Wednesday and Cowrie class have headed to our science garden for some fabulous adventures! We are committed to being in, and using, the outside environment because of the far reaching benefits both educationally and on our mental health, and the children LOVE IT!

I hope that this glorious weather stays with us and that you all have an enjoyable (extra long) bank holiday weekend!

In assembly this week ...

We have been discussing the value of community and the important role we each play within our school. We shared the story 'The Blue Umbrella' by Emily Ann Davison because it demonstrates the idea that we can all contribute to a positive place for everyone to be in.

We discussed the fact that our school values help to shape the people we are becoming and that our behaviours affect our community.

We like the idea of all working together for the common good!
