

St Minver School & Nursery

Summer 2 Week 2

Head of School Message

Our week started with a celebration of horticulture after the impressive entries at The Royal Cornwall Show. We're delighted to have been awarded The Ian Burnett Cup for the highest points (again) - well done everyone!

There is always so much going on at school and this week has been no exception! Year 5 were treated to a fabulous art work shop and Year 3 took part in Quad Games. And of course our wonderful Year 4s have been making memories to last a life time on their residential to Carnyorth! All of this runs alongside the teaching and learning of the curriculum, playing with friends, clubs, assemblies and so much more! Thank you for your support; we know it's a busy time in school and your help and engagement is hugely appreciated. Have a lovely weekend when it arrives!

Mrs Warren

St Minver Stars

Cowrie Class:

Rosie and Jowan

Daymer Class:

Annie and Teddy

Greenaway Class:

Toby and Phoebe

Lundy Class:

Grace and Albie

Polzeath Class:

The Whole Class

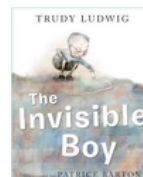

Rock Class:

Charlie and Amy

In assembly next week...

We will continue to explore the value of connection and how loneliness can affect our mental health. We know that to be mentally healthy it is important that we find meaningful connections with ourselves, others and the world around us and we will look at a range of ways that we can achieve this.

We will share the story of 'The Invisible Boy' by Trudy Ludwig which highlights the importance of connecting with other people.

Upcoming events

16.6.25 Quad Games Year 5
16.6.25 Cowrie Class Superhero Fundraising Week

Summer 2 Week 2

St Minver School in action...

More news...

Superhero Fundraising Week in Cowrie Class

Next week, Cowrie Class will be raising money for their friend Freddie. They will be sponsored to come to school dressed as superheroes ALL WEEK, take part in a range of heroic activities and they will be selling cakes after school on Friday (20th June). Please help them by sending in cakes on Friday for them to then sell back to you! Thank you!

Science Garden

Our Science Garden is just fabulous and is such a wonderful space for the children. We would like to continue to add to this area with bird boxes, bug hotels, veg plants for our veg beds... If you have anything at home that you feel would be useful to us then please pop it in. Thank you for your help!

PINS Project

We are excited to have been selected to take part in the Partnership for Inclusion of Neurodiversity in Schools (PINS) Project. Please see the additional email sent home earlier this week regarding this and complete the survey. Thank you!

Term Dates 2025/26

Our term dates for next academic year are in the process of being agreed. We will get them out to you as soon as we can.

Special Mentions

Nell for being kind and good role model when playing at lunchtime, to Annie, Rory and Teddy.

Phoebe for always making us smile at playtimes.

Sickness and Absences

Please report your child's absence before 9am. You can call and leave a message on option 1 or you can email us at school. If your child will be off again the following day, we will require you to notify the school of their progress.

A couple of reminders...

You're always welcome to visit us in school and we are very keen for you to come and work with the children but please remember that school is a mobile free zone. This means that once you are inside the school building, mobile phones must not be seen or used. This is in line with our safeguarding policy.

Please also remember that our school is a nut free zone.

It is hugely important that we protect our children with allergies by ensuring that there are no nuts here. Just a little reminder to be mindful when you are providing your child with snacks and/or a packed lunch.
