## Cowrie Class – Nursery Summer Term 2

Welcome back, I hope you all had a restful half term. I can't believe we are heading into the last half term of this academic year. It is going to be a busy, fun-filled term with lots of different and exciting events coming up. Our topic for the last half term is 'Growing and Changing' where we will be talking all about how we have grown and changed from when we first started nursery to where we are now. We will also be planting seeds, caring for them and watching them grow. It is still so lovely to be able to continue to welcome so many children into our growing nursery provision. All the children are continuing to settle into preschool life at St Minver and are making great progress.

**Book Bags** If your child requires a book bag, please could you let me know and I can add you to the list. It would be great if all the children could use their book bag to transport their sharing books between school and home.

**Cowrie Class news for next week** We will continue to email every Friday with our Cowrie Class news so you can see what exciting learning opportunities your children will be experiencing, and you can help prepare them for the week ahead.

**Shared reading books** The children will be choosing books from our large selection of 'Under the Sea' books to bring home to share with you. Please remember to sign the little blue reading diary so we know when to provide your child with a new book.

**Sun hats and Suncream** Now the weather is getting warmer, and the sun is starting to shine please could you send your child into school with a labelled sun hat and sun cream. Please could you make sure suncream is applied before arriving at school.

**Sports Day** Sports day this year will be taking place on **Friday 27<sup>th</sup> June** (weather dependent) with a backup date of **Friday 11<sup>th</sup> July**. We will do the same as we did last year, we will invite all parents to join their children for a picnic on the school field at Midday so please collect your child at 11:45am from outside the classroom. Races will start at 1pm where you can stay and watch with your children, there will also be a Pre-School race that the nursery children can take part in.

**Nursery Leavers 2025** For some of our lovely nursery children this will be their last half term with us in Nursery before they start their next big adventure and move up to join Mrs Cray in Daymer Class. This means only one thing: a celebration must be had! We would love to invite you to join us for a little celebration on **Thursday 3<sup>rd</sup> July at 2:30pm**.

**Superhero Week** Cowrie Class will be holding a fun fundraising superhero week in honour of our dear little friend Freddie. This will be the **w/b 16<sup>th</sup> June** where we will be doing lots of fun and exciting activities. The children are invited to collect sponsorship for coming to school dressed as a superhero **ALL WEEK** and we will run a cake sale at the end of the day on Friday 20<sup>th</sup> June. All money raised will go to Freddie and his family to help them through his battle with Leukaemia.

**Tapestry** Please let us know if you are not able to access Tapestry or unsure about your role in using it.

**Class Reading Bear** It has been lovely seeing all the different adventures Rufus the Bear has been on so far, if your child hasn't yet had Rufus don't worry, he is still making his way around the class.

**Lunches** Please could I just remind you all to book your child's lunches through ParentPay, if you have any issues with this just pop into reception and Miss Martin will be able to help you.

If you have any queries or concerns, please don't hesitate to pop in and see me.

Kind regards,

Mrs Treleaven  
Nursery Manager
