

St Minver School & Nursery

Summer 2 Week 3

Head of School Message

Lots of people think that towards the end of the academic year schools become less busy but that is certainly not the case for us! Each week feels busier than the last as we prioritise seizing every opportunity for our children. Year 5 had a great afternoon at Quad Games on Monday, all of our girls (Years 1-6) have enjoyed a football day in Bodmin today, Year 6 excelled at business in their Enterprise Day and Cowrie Class have had a Superhero fundraising week! Thank you for your continued support in making all of these events possible - it's so important that the children are immersed in a range of opportunities.

It's also been an important assessment week for the children in Years 1-5; the children have responded brilliantly to the 'quizzes' and we are really proud of their achievements. Reports will be sent home on Wednesday 9th July and I know they reflect the celebration of another year of learning, friendship and fun. Have a lovely weekend!

In assembly this week...

We shared the story of 'The Invisible Boy' by Trudy Ludwig which highlights the importance of connecting with people to combat loneliness. It really made us think about including others in our games, inviting people to birthday parties and choosing a range of peers to be on our teams.
