

St Minver School & Nursery

Spring 2 Week 4

Head of School Message

Along with the glorious sunshine this week, the children throughout the school continue to shine. There have been many additional learning opportunities outside of school - Greenaway Class enjoyed a fabulous trip to Eden to support their rainforest work and Polzeath Class had great fun at the Royal Cornwall Showground for the Farm & Country Day! Lundy Class have worked hard in the swimming pool and our Year 4 football team ventured to Wadebridge for a tournament. Hard work and good times have also continued back at school with many children coming to visit me to share their work and achievements. A huge thank you to Emma Digerud-White for coming in to spend the afternoon with Lundy Class yesterday to talk all things art and sketch books. The children were inspired by your creativity! It has also been great to see so many families catching up with their child's progress at parent/teacher meetings - thank you for your continued support!

Have a lovely weekend!

In assembly this week ...

...we have continued to talk about our school value of 'creativity'. Being creative is part of everyday life at St Minver School and the children have had some time to reflect on all the ways they have been creative in their learning so far this half term. We have also talked about creative thinking and how important it is for us to be analytical and open-minded, to be able to solve problems, to be organised and to communicate well! Being creative is a wide-ranging skill and one that we see as a priority for all our children. We also shared the book 'The Dot' by Peter H. Reynolds which reminded us that there is creative spirit in each and everyone of us!
